

June 1, 2022

Dear Sir or Madam:

**INFORMATION MEETING NOTICE
WALKER DRAINAGE WORKS
REPAIR AND IMPROVEMENT, 2022**

Subsequent to the original site meeting, we have completed the field survey and have prepared a preliminary design and cost estimate for discussion purposes.

An Information Meeting has been scheduled for:

FRIDAY, JUNE 17TH, AT 10:30 a.m.

to meet at the Outdoor Pavilion at the Township of Amaranth Municipal Office, 374028 6th Line, Amaranth, Ontario.

The purpose of the meeting is to review our findings and recommendations and discuss the preliminary cost distribution for the project. Owners receiving a copy of this notice and attached preliminary watershed plan and profiles may ultimately be assessed for a portion of the cost of the work. Once the report is submitted to Council, it is very difficult to make any changes. As such, your attendance and input would be greatly appreciated so that any issues can be resolved prior to the final report being prepared.

Should you have any questions or cannot attend, please contact the undersigned at (519) 938-3077 or by cell at (519) 939-1578.

Yours truly,

R.J. Burnside & Associates Limited
