### CrossCurrents Caledon

<http://crosscurrentscaledon.com>

Shannon Kingsbury performs on April 21st, 2017

Arts and Entertainment across Caledon CrossCurrents Caledon was created by concerned and caring citizens, in April 2015, to fill a need for quality entertainment in an intimate environment. Our goal was to provide an appreciative and attentive audience for the performer, and a unique and rewarding experience for the audience.

These events are held every second Friday in the Bolton United Church. Performers have included Nigerian-born singer/songwriter Kunle, Ian, Reid, Canadian folk duo Fraser and Girard, extraordinary soul singers like Dan Mclean Jr and Deidrey Francois, Russian group Outro and reknowned singer/story-teller David Storey. Future events will include everything from bluegrass to classical recitals to magic and comedy and even dance and spoken word. They are compensated via the magic of the tip jar.

We owe much of our success to a lot of hard work from our volunteers, who donate their time, energy (and sometimes personal finances) to make these events happen, and who do everything possible to get the word out. We also provide real, home-baked goodies and treats, along with coffee, tea etc.
